Hadox[®]
Need For Interior

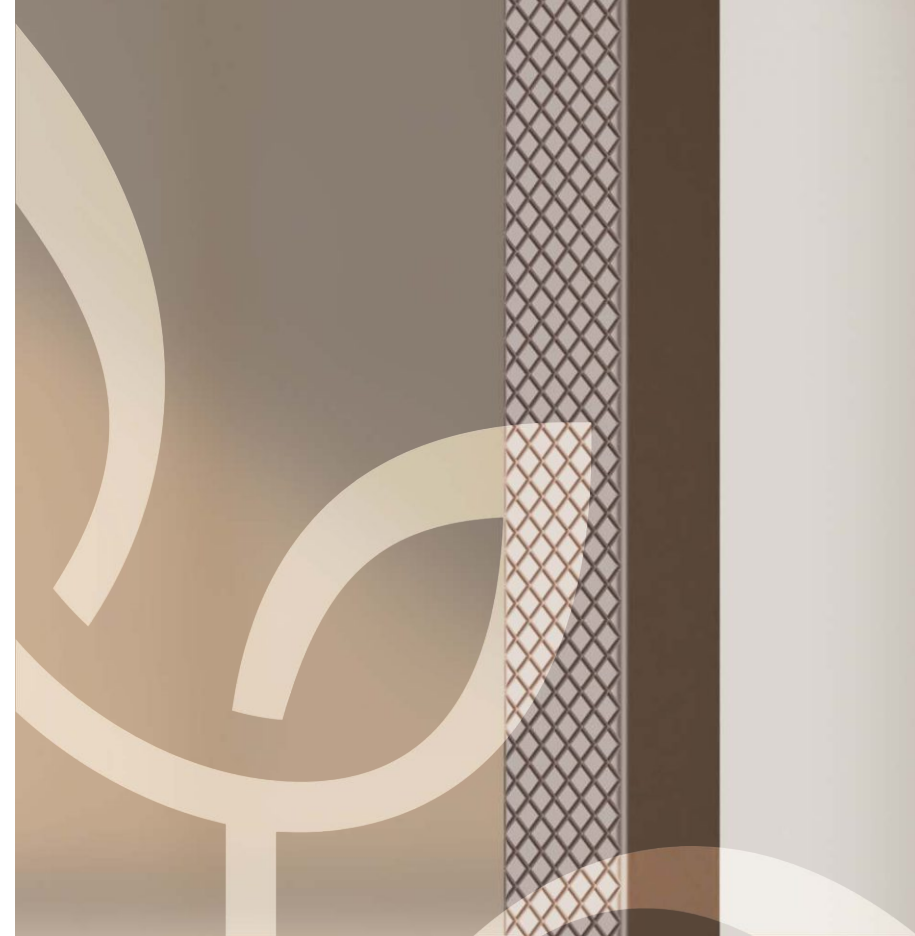

Engineered for

Elegance

Innovat

in Every Detail.

HADOX, powered by the trusted legacy of Raj Khodal Manufacturing, is a brand dedicated to redefining hardware sophistication. We design and manufacture premium wardrobe handles, profile handles, concealed handles, and main door handles built to elevate the style and functionality of modern interiors.

Every **HADOX** product reflects a balance of aesthetics and engineering. With advanced manufacturing techniques, precision machining, and carefully source materials, we ensure that each handle not only looks elegant but performs effortlessly in daily use. Our products are crafted to deliver a smooth grip, superior strength, corrosion resistance, and a premium finish that lasts for years.

At **RAJ KHODAL MANUFACTURING**, quality is not just a process — it is a promise. From concept design to final finishing, every detail is inspected with care to meet the expectations of architects, interior designers, and end users who demand nothing but excellence. We believe handles are more than accessories — they are the first touch of every space, the detail that completes the design.

With **HADOX**, you experience hardware that compliments your environment with class, comfort, and craftsmanship.

Strong in Build. Superior in Finish. Inspired in Design.
That is the identity we forge into every product we create.
